Motivation

I would like to apply in your company to give free service if there is any position which has conformity with my field of study. You will note from my curriculum vitae that I have good background in my area.

I am excited to see the real application of my area of study in the real world and to make true my dream of being professional. Therefore, I would welcome any opportunities to give service.

The detailed attached in my curriculum vitae.

I look forward to hearing from you soon.

Your sincerely,
